Tour Operator-Chile

Saturday September 10th 2023 Puerto Montt - Puerto Varas - Rio Negro (L+D)

Transfer from the Airport to the Hotel. Afternoon we will visit Frutillar and Rio Negro are two small towns located in the Lakes district of Chile. Frutillar is known for its beautiful lakefront location, with a stunning view of the Osorno volcano. It also has a museum dedicated to the culture of the southern regions of Chile, and a popular theater for live performances. Rio Negro is a small town located about 20 miles from Frutillar, and is known for its beekeeping and honey production. Here, visitors can learn about the production of honey, and even take part in a tour of the beekeeping fields.

Lunch and dinner are included.

Accommodation at the Hotel in Puerto Varas.

Sunday September 11th 2023 Puerto Varas - Petrohue - Peulla (B+L+D)

Breakfast. 08:00AM Departure from Puerto Varas to Peulla includes a scenic drive by bus through the Andes Mountains and Chile's Lake Region. During the journey, you will admire breathtaking landscapes and take in the majestic view of the Osorno and Calbuco volcanoes. Visit Petrohue Falls, The falls are formed by the Petrohue River, which passes through the majestic volcanic landscape of the Vicente Perez Rosales National Park.

Visitors can explore the area and take in the stunning view of the powerful cascades and the surrounding landscape. Later we arriving to the Petrohue Pier to take the boat and Navigate the beautiful Lake Todos Los Santos to Peulla, a stunning mountain resort town. Enjoy the breathtaking views of snow-covered volcanoes and lush vegetation as you cruise the lake, and take in the stunning scenery of the Andes Mountains. We will explore organic honeybees in Peulla on an eco-friendly beekeeping tour.

The tour will end with a delicious traditional lunch and back to Puerto Varas after Lunch and dinner are included.
